1- Select Registered Course for dropping.

The following constraints are checked by system just before sending the course back to registration Cart for withdrawal prosses.

- Student can not withdraw a repeated course which was failed (F, Z and V grade) before.
- Student can not withdraw a course which has been previously withdrawn.
- Student can not withdraw C-, D+, D, D- grade if their statues are repeat semester.
- If the student is freshmore, he/she can not withdraw first and second semester courses.
- The student will be able to changes course branch within min.-max credit controls.
- Student withdrawn only one course.

2- The withdrawn course falls into the registration basket as a result of the controls.
